

The Common Game

What is The Common Game?

The Common Game is a service offered through local clubs which provides bridge players the opportunity to compare their results with players at other clubs, playing the same hands across the country.**

Participation in the Common Game does **not affect a player's score or masterpoint award at the local club. The ACBL masterpoints continue to be scored and reported as always. Common Game awards are based on match-pointed results across the larger field.

What does it offer to clubs and players?

- Matchpointed results
- Email Results
- Postmortem analysis of many of the interesting hands played
- Individual play analysis (if your club uses Bridgemates/BridgePads)
- Prizes awarded monthly for both performance and attendance.
- Integration with other useful Bridge programs such as BridgeWinners & BBO
